Political Violence

The ever changing nature of global security threats has highlighted the needs for comprehensive Political Violence cover. We offer a range of products that can be tailored to your clients' needs and demands. We offer Political Violence cover on a worldwide basis with varying limits based on the domicile of the insured. Our product includes Sabotage and Terrorism, Strikes, Riots, Civil Commotion, Malicious Damage, Insurrection, Revolution, Rebellion, Coup d'état, War, Civil war and Counter Insurgency.

For UK based risks we offer an alternative to Pool RE cover without the strict requirements of the scheme. We have no selection rules or insistence on full value. This means we offer a more flexible and tailored product for the client's needs and risk appetite.

The limit of liability is usually on an 'Each And Every Occurrence and in the aggregate' basis. However we can also provide cover on a 'First Loss' or 'Any One Occurrence un-Aggregated'.

Policy Limits

Up to USD 270,000,000 / EUR 260,000,000 / GBP 185,000,000 depending on the location of risk and coverage selected
